- StrongHand Tools' Gas Grabber is a device used to hold big gas bottles without getting hurt in two-person teams thanks to the 2 padded handles on both sides
 - The 8-point cylinder contact and friction pads offer a firm and guaranteed seizing
 - The scissor-action handles automatically engage for a safe lifting
 - Very useful to transport the bottles in the stairs. The safety is assured thanks to the nonskid holding and when you let go of the handles to put down the bottle, the grabber stays in position ready for use
 - Versatile, can carry other heavy items
 - Compact and lightweight design
-
- Dimensions (W x D x H): 546.1 x 279.4 x 91.44 mm
 - For cylinder size (dia): 127 - 241 mm
 - Loading capacity: 180 kgs
 - Weight: 3.60 kgs
