Sliding arm clamps with removable/reversible clamp arm and accessories

This clamp is very versatile and adapts to all your needs: it holds flat (A) and round (B) parts, converts to a spreader (C) and a Step-Over clamp (D).

The 4-in-1 clamp kit includes three parts:

- sliding arm clamp
- extension block
- V-Pad

All Strong Hand Tools® clamps are made of high quality heat treated steel and nickel/chrome plated for strength and durability.
